TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Newport, qualified to vote on Town Affairs: You are hereby notified and warned to meet at the Town Hall in said Town of Newport on the second Tuesday of March next at nine o'clock in the forenoon to act upon the following subjects:

ARTICLE 1. To elect a Selectman for a term of three years; to elect a Town Treasurer; a Town Clerk and a Road Agent for the ensuing year.

ARTICLE 2. To elect a Member of the Trust Fund Commission for three years, one Water and Sewer Commissioner for three years, a Collector of Taxes, and all other officers, Auditors, Agents and Committees necessary for the Town Business.

ARTICLE 3. To see if the Town will vote to appropriate the following Budget amounting to \$49,100.00 to be allocated as follows:

Town Officers'		Police Dept.	5,500.00
Salaries	\$4,000.00	Health Dept	\$1,200.00
Town Officers'		Highway Dept.	16,000.00
Expenses	3,000.00	Sewer Dept.	3,800.00
Municipal Court	800.00	Zoning	100.00
Town Hall	2,200.00	Water Dept.	5,000.00
Fire Dept.	7,200.00	Vital Statistics	300.00

ARTICLE 4. To see if the Town will vote to raise and appropriate the following Budget amounting to \$142,031.35 to be allocated as follows:

Richards Free		Election and	
Library	\$ 500.00	Registration	\$ 750.00
Welfare Dept.	6,000.00	Interest	13,000.00
Old Age Assistance	4,000.00	Town Debt	9,200.00
County Tax	21,104.79	Soldiers' Aid and	
Schools	75,296.56	Veterans' Service	1,500.00
Street Lighting	7,600.00	Parks	400.00
Cemetery Dept.	2,500.00	Airport	100.00

ARTICLE 5. To hear the reports of the Selectmen, Town Treasurer, Auditors and Committees heretofore chosen, and pass any vote relating thereto.

ARTICLE 6 To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on the notes of the Town in anticipation of Taxes, and pass any vote relating thereto.

ARTICLE 7. To see if the Town will vote to allow a discount on 1944 taxes of 2% if paid on or before July 1st; a discount of 1% if paid on or before September 1st; and raise and appropriate the sum of \$1,500.00 for same.

ARTICLE 8. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum equal to not more than one hundredth of one per cent ($1/100$ of 1%) of the assessed valuation based upon assessment of 1943 for the purpose of advertising the attractions and resources of the Town, in connection with other towns in the Dartmouth-Lake Sunapee Region.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$300.00 to be used for Memorial Day and pass any vote in relation thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of maintaining and improving the municipal playground, and pass any vote in relation thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the purpose of maintaining and operating a skating rink, and pass any vote in relation thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$477.29 provided the State donates \$1,909.13 to the Town to be used for T. R. A. Roads, and pass any vote in relation thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the purpose of oiling the highways of Newport, and pass any vote in relation thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$1,900.00 to be used for the Public Health Nurse Commission, and pass any vote in relation thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to be used for the Carrie F.

Wright Hospital of Newport, and pass any vote in relation thereto.

ARTICLE 17. To see if the Town will vote to authorize the collection of garbage for the ensuing year and raise and appropriate the sum of \$500.00 for the same.

ARTICLE 18. To see if the Town, for the purpose of funding and refunding outstanding bonds and notes of the Town, will vote to raise, appropriate and borrow money to an aggregate amount not to exceed \$50,000.00, and to issue its serial notes or bonds therefor on the credit of the Town. Said bonds and notes to be issued, marketed and sold under regulations as prescribed in Senate Bill No. 88, passed by the General Court of the State of New Hampshire at its session of 1943, approved by the Governor of the State, April 28, 1943, and pass any vote in relation thereto.

ARTICLE 19. To see what action the Town will take in regard to the construction of a Swimming Pool on the playground and pass any vote relating thereto.

ARTICLE 20. To see if the Town will vote to rescind all or any of the votes passed at the special Town Meeting holden November 18, 1936, or pass any vote in relation thereto, said votes having been as follows:

1. Voted: That the report of the Zoning Committee recommending the lines as designated for single residence district upon the maps filed with their report to the Selectmen be and hereby is accepted and adopted.

2. Voted: That the report of the Zoning Committee recommending the lines as designated, general residence district, upon the map filed with the report to the Selectmen be and hereby is accepted and adopted.

3. Voted: That the report of the Zoning Committee recommending the lines as designated, industrial section, upon the map filed with the report to the Selectmen be and hereby is accepted and adopted.

4. Voted: That the report of the Zoning Committee recommending the lines as designated, commercial section, upon the map filed with the report to the Selectmen be and hereby is accepted and adopted.

5. Voted: That the report of the Zoning Committee recommending that the town be divided into four districts, namely, single residence, general residence, commercial district and industrial district as designated on map of the town filed as a part of our report to the Selectmen and that the by-laws embodied in the report be and hereby are accepted and adopted

as authorized by the Public Statutes of the State as found in Chapter 42 designating powers and duties of towns; and that the town accept and adopt the map presented to the Selectmen by the Zoning Committee.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to buy the property of the late Dr. H. A. Hanaford, adjacent to the Town Clerk's office, for the general purposes of the town at an outlay of not to exceed \$5,200.00, provide necessary financial arrangements for the same and pass any vote in relation thereto.

ARTICLE 22. To see if the Town will ratify and approve the acts of the Citizens Committee and pass any vote in relation thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be used for the purchase of new equipment for the highway department and pass any vote in relation thereto.

ARTICLE 24. To see if the Town will vote to authorize the appointment of a Finance or Budget Committee to act as an advisory board on municipal finances. Appointment to be made by the Moderator, and not more than eight of the appointed fifteen to be of any one political party.

ARTICLE 25. To see if the Town will vote to adopt the non-partisan Ballot System for the election of town officials as provided in the Revised Laws of New Hampshire.

ARTICLE 26. To see if the Town will vote to instruct the Selectmen to instruct the Governor of the State of New Hampshire to send a request to the Congress of the United States, a plea that they pass an adequate bill for soldier voting that will enable every person in the armed forces of this country to vote for federal officers at the next federal election.

ARTICLE 27. To transact any other business which may legally come before said meeting.

(Polls shall be open for the reception of ballots at 9:30 A. M., and shall not be closed earlier than 7:00 P. M.)

Given under our hands and seals at Newport, New Hampshire, this twenty-third day of February, 1944.

MAURICE J. DOWNING,
LEON E. KEMPTON,
JESSE R. ROWELL,

Selectmen of Newport, New Hampshire.

Pine Grove Cemetery	\$	655.50
North Newport Ext. Cemetery	229.00	\$ 884.50
Citizens National Bank—Services on Trust Fund		
books and accounts	\$	250.00
Miscellaneous expenses		184.99

Balance, cash on hand

130.05

 \$ 6,814.96

The burials in Town the past year were seventy-four; seven in Maple Street, thirty-eight in Pine Grove, twenty-two in St. Patrick's, seven in North Newport Extension and none in Pine Street.

A statement of trust funds for cemeteries appears in the report of the trustees of trust funds.

We recommend an appropriation of \$2,500.00 for the support of cemeteries for the coming year.

ERNEST G. MILLER,
CARROLL D. JOHNSON,

Cemetery Commissioners.

February 11, 1944

**GENERAL PERPETUAL CARE AND IMPROVEMENT

REPORT OF WATER COMMISSIONERS

To the Citizens of Newport:

The Water Commissioners submit herewith the Annual Report for the year ending January 31, 1944, in form as prescribed by the Public Service Commission.

During the months of June and July the 8-inch supply line and the 6-inch supply line from the pond to the junction of the 6-inch lines on the Unity Road, near the Golf Club, and the 6-inch line from that junction to the reservoir, and the 6-inch line from that junction to No. Main St., via Pine St., and Belknap Avenue have been cleaned at a cost of \$4,034.48. The pipes can now deliver seventy per cent more water than before cleaning, and there has been no shortage of water in the distributing system since this work was completed.

In September the reservoir was cleaned, and the cracks and grout cemented. It was also necessary to repair the gate-house and walk. This work amounted to \$139.36.

The actual cash received during the year and turned over to the Town Treasurer was as follows:

Water Rents	\$ 21,143.52
Labor and Materials	209.05
	<hr/>
Total	\$ 21,352.57

JOHN W. McCRILLIS,
ARTHUR G. WINTER,
JOHN J. CONDON,

Commissioners.

SOPHIE A. GURETSKA,

Clerk.

Clerk.

HEALTH OFFICER'S REPORT

Your Health Officer submits the following report for the year 1943. During the past year there were sixteen cases of scarlet fever scattered throughout the town. These were mild and from the mildness of some of them we are led to believe that there must have been other cases but of so light a nature that a doctor was not called and therefore they were not reported. Two families of four and five children each accounted for nine of the cases. Because a mild case of scarlet fever or any contagious disease, might cause a serious case in some other youngster I urge parents to report symptoms, even if slight, to their family physician immediately.

There were eighteen cases of chicken pox reported and twenty-four cases of whooping cough. During the early part of the year we had several cases of measles in our schools and town. There is not any way of checking the number of these cases as those having them do not have to be quarantined. We hope that parents will cooperate during such times and at signs of colds, fever, or rash they will keep their children at home and away from others. Let me most earnestly urge parents not to be too hasty in sending children back to school after an illness, as at this time their resistance to disease is so low that they are most susceptible to any prevailing infection.

There have been two cases of venereal diseases reported and they have been checked to be sure they were treated. Six cases of Vincent's Anginia (trench mouth) two cases of meningitis and two cases of poliomyelitis (infantile paralysis), one case of undulant fever and four cases of occupational diseases have been reported.

The usual state routine of inspection of barns, milk rooms and sanitary conditions were made and samples of milk sent to the State Board of Health and found very satisfactory.

As directed by the state law we inspected and approved homes for orphaned children placed under state supervision. These homes must be inspected yearly by the health officer and assurance filed with the state department that such homes are proper places for these children.

The condition of our town dump under Mr. Arthur L. Gamash is in fine condition. The citizens of Newport are cooperating very well by keeping garbage and rubbish separate.

We of Newport are indebted to the New Hampshire Tuberculosis Association and to our Doctors, School System and District Nurse for their efforts and cooperation in making Newport a community free from contagion.

The N. H. Tuberculosis Association carries on determined not only to hold our gains in the fight against tuberculosis but to continue toward eradication of the disease.

Respectfully submitted,

RICHARD P. DONOVAN,

Health Officer.

I, hereby submit, as it was submitted to me, the yearly report of the New Hampshire Tuberculosis Association.

**Annual Report of the N. H. Tuberculosis Association,
Clinic and Nursing Service, Newport, 1943
The Year's Service**

Two free diagnostic chest examination clinics were held at the Court Room. At these clinics 36 persons have had a chest examination, 16 were given the "Volmer" tuberculin test, and through the co-operation of the local hospital 27 persons have had benefit of X-ray of chest. As a result four new positive cases of tuberculosis are under supervision either at home or at sanatoria. Five children, have enlarged hilus glands as a result of primary infection. These children are not classified as tuberculosis cases, but are under supervision of the clinic and nursing service as contacts.

Again we thank the doctors, nurses, hospital and all voluntary workers who have assisted in the campaign against tuberculosis, also the people of Newport who have loyally supported the program of the N. H. Tuberculosis Association, and have indicated by their increasing contributions that they want the clinic and nursing service to continue through 1944.

Respectfully submitted,

N. H. TUBERCULOSIS ASSOCIATION, INC.

Cluffie M. Gobin, R. N., Field Nurse.

Treasurer.

REPORT OF POLICE DEPARTMENT

Report of Police Department from Feb. 1, 1943 to Feb. 1, 1944.

Nineteen hundred and forty-three was the smallest year in the number of arrests for some time. There was only one case bound over for the Grand Jury.

The nationally publicized Juvenile Delinquency showed no great increase, and was confined mostly to unmanageable children of teen age, who were associating with older companions.

It is the intent of the Police Department to inflict punishment on those older associates who are contributing to the delinquency of juveniles.

The number of transients has decreased from three hundred and fifteen in 1941 to ninety-three this year.

The following is a report of the total number of arrests for the year ending February 1, 1944:

Intoxication	64
Motor Vehicle Violations	34
Fish and Game	4
Non-support	3
Committing a Brawl	8
Assault	8
Lewd Contact	2
Disturbing a School while in Session	1
Stealing	2
Resisting an Officer	1
Illegal Parking	2
Business Places Found Unlocked	180
Transient Lodgers	93

Respectfully submitted,

MERTON J. SARGENT,

Chief of Police.

REPORT OF CHIEF OF FIRE DEPARTMENT

To the Selectmen of the Town of Newport:

I herewith submit my report as Chief of the Fire Department for the past year.

I am pleased to report it has been less active than for some years past and our loss very small compared to the number of calls which have been responded to, 10 bell alarms, 129 still alarms, 8 out of town calls, 6 brush fires.

Our equipment is in good condition and no great outlay is anticipated, however, there should be a new approach to the front of the Engine House as the present condition is very bad and at times the frost makes it very uneven. The drain, by reason of the Draft, still continues to deplete our man power we having 19 members in the service. We have formed an auxiliary force made up of High School pupils under charge of Mr. Vernon Lewis, one of the teachers who is a trained fireman, and they are well organized and I am satisfied will give a good account of themselves if called upon. We shall require about the same appropriation as last year.

I wish to thank the Board of Selectmen and the members of the Department for excellent cooperation the past year.

GEORGE E. LEWIS,

Chief.

AUDITORS' REPORT

We, the undersigned Auditors of the Town of Newport, for the year ending January 31, 1944, have audited as required by the State Tax Commission, the accounts of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Town Hall Agent, Water and Sewer Commissioners, Cemetery Commissioners and the Municipal Court and find them all to be correct.

D. SIDNEY ROLLINS,
J. H. BERGAMINI,
ELSIE C. BAILEY,

Auditors of the Town of Newport, N. H.

For the year ending January 31, 1944.

SUPERINTENDENT'S REPORT

To the Newport School Board:

I herewith submit my tenth annual report as Superintendent of Schools.

The enrollment in Newport Schools did not suffer such a drop as has been experienced in many places under present disturbed conditions. We have nearly as many pupils as we had last year. The High School, however, is about 8% below the pre-war level.

A total of 67 pupils in all grades who were on our records last year failed to return last September. Most of these moved out of town. In the High School five are in United States service, eight transferred to other schools, and ten went to work.

We are sorry to report an increase in absence and tardiness. The latter is caused by changes in home conditions due to the war and to the "daylight saving" time in the winter.

Since this is my tenth successive report I am tempted to pause and look back over the trail to view the high spots that appear over the last decade.

ADMINISTRATION

When I started my work here I found the office in the smallest room in the Richards School. In it were a desk and chair for the superintendent; desk, chair and typewriter for the clerk; one four-drawer file practically empty; a small seven drawer file for cards; and an adding machine. This lay-out was so patently inadequate that we straightway moved the office to the Richards Block, occupying two rooms. This has proved entirely satisfactory and the location is much more convenient for the public.

We now have four filing cabinets filled with the necessary records of four districts (Newport, New London, Sunapee, and Springfield). It is possible to produce at once information of all kinds in relation to the schools. The organization of the office was made possible by the employment of a full-time secretary. We have seven book cases of sample text-books and professional books. The teachers make frequent use of these. There are several cupboards for supplies for the office and schools. The

School Board holds its meetings in the office around the large center table.

The business of the office has increased in amount and value each year. War conditions have added extra burdens in correspondence, records, and reports. Withholding taxes have complicated payrolls so that they require much more time for preparation. The prevailing employment of children has enormously increased the number of work certificates issued. More people call personally on business and telephone calls have multiplied. The office is open during the entire year including school vacations. There are almost as many callers during vacations as during term time. There seems to be, therefore, a real need of a central office which "neither slumbers nor sleeps."

TEXTBOOKS

There was in 1934 a shortage of text-books in our schools and many in use were old and dilapidated. A plan was initiated of replacing books in certain subjects each year until now each pupil has the books he needs. New texts were purchased to take the place of those which were out-of-date or unsatisfactory. All this was done without materially increasing the budget of previous years for books.

Library books have also been supplied to all schools in order that pupils may have right at hand material for extra reading or reference work.

Special mention should be made of the reading system which was recently put in the primary grades. This system (Elson) is based on the principle of using a smaller vocabulary and thoroughly mastering it. The interesting stories and illustrations of the pupils' texts together with the sound methods of teaching provided in the teachers' manual make the system very effective.

The new series of text-books in Arithmetic (The Study Arithmetic) are also very satisfactory. Several subjects, like long division and percentage, have been given a later grade placement when pupils are older and better able to handle them. The teaching devices are excellent. Plenty of drill and self-help lessons are provided.

IMPROVEMENTS TO BUILDINGS

We have carried out a plan of repainting all school buildings which was completed last summer. In fact we have started on the second round. This means that each building will be thoroughly redecorated at least once in ten years.

New copper water pipes were installed in the Primary and Richards Schools.

Modern toilets have replaced the old worn-out ones at the Richards School.

New seats and desks were provided for many pupils in the Richards School, replacing worn and ill-fitting furniture.

An additional room was partitioned off in the girls' basement at the Primary School for Grades 1 and 2, thus giving needed relief to the crowded condition in the lower grades.

Septic tanks have been installed in our three rural schools.

Electric lighting has been extended and improved in all schools, including rurals.

Each school building now has a telephone.

Showers were installed for the girls' athletic teams at Towle and additional units were put in the boys' basement.

Plans will soon be made for new and more adequate school accommodations, which are being made possible by the bequest of the late George B. Wheeler.

TEACHERS

As a means of retaining good teachers, or securing new ones of equal quality, salaries have been raised. This process will probably have to go on as long as teachers are scarce.

We have been fortunate in our corps of teachers and have maintained excellent schools, within the limitations of our buildings and equipment. Parents and pupils moving from other places have complimented Newport schools.

ADULT EDUCATION

For several years we operated evening classes in English for those born in foreign lands.

This brief summary of the past decade shows that the school authorities have made improvements of permanent value. The task remaining before us is, by means of a new building, to give the boys and girls of Newport modern and adequate accommodations such as those furnished by all progressive places.

In planning a new building we must keep in mind the changes which the public is demanding in our educational program. In the past we have leaned rather heavily toward academic subjects. The war has emphasized the need of practical work-a-day courses, such as shop work and courses in science and mathematics; also physical training leading to greater health and strength. Although academic courses should be retained in proper proportion, schools will in the future be more

and more concerned with activities in the shop, laboratory, and gymnasium. No longer will it be sufficient merely to furnish a desk, chair, and book for each pupil but we shall be called upon to provide rooms and equipment for pupils actually to do things, not merely read about them. The first step, therefore, in a building program is to determine as carefully as possible the courses which will be taught, especially in high school, and then construct the building to house adequately the future school program of studies.

WHEELER ESTATE

At a special meeting of the Newport School District, duly warned, held September 25, 1943, in the Town Hall it was unanimously voted:

1. That the School Board of the Newport School District be and hereby is authorized to sell, assign, transfer and convert into cash, at market value, all or any part of the securities received by the Board from the Executor of the Estate of George B. Wheeler. (The list of securities was appended to this vote.)

2. That the School Board of the Newport School District be and hereby is authorized to sell at public auction, or private sale, whichever method in the opinion of said School Board seems for the best interests of the Newport School District, the real estate acquired by said district from the Estate of George B. Wheeler and consisting of the following pieces of real estate:

1. The real estate known as the "Homestead of George B. Wheeler" situate at the corner of South Main and Elm Streets in the Village of Newport, New Hampshire.
2. The real estate known as "Wheeler's Block" situate at the corner of Main and Central Streets in the Village of Newport, New Hampshire.

3. That the School Board of the Newport School District be and hereby is authorized to dispose of any real or personal property which said district may acquire in the future from the Estate of George B. Wheeler and that said School Board shall dispose of any of said future acquired property in the following manner:

1. Securities to be sold, assigned, transferred and converted into cash, at market value, when, in the opinion of said School Board, it seems for the best interests of the Newport School District to do so.
2. Any future acquired real estate to be sold at public auction, or private sale, whichever method seems to

said School Board for the best interests of the Newport School District.

3. Any items of tangible personal property shall be sold by said School Board at public auction, or private sale, which ever method in the opinion of said School Board seems for the best interests of said School District.

4. To authorize the School Board to invest the proceeds from any sales made under Articles 1, 2, or 3 of the warrant, in investments legal for savings banks in the State of New Hampshire.

CHANGES

For the third summer in succession there have been about a score of new teachers in this Supervisory Union. Between last spring and Christmas vacation I have had to secure twenty-six new teachers and transfer six others in the Union as a whole! Of those who left one went into Red Cross service, thirteen took other teaching positions, ten moved away, and two entered other employment. Such an overturn in personnel is disconcerting and diverts time and energy from the main task of school supervision and administration. Only eight of the teachers who were in service here in 1934-35, when I came to this Union, are still with me.

Five Newport teachers are on leave of absence for the duration, Ernest M. Perkins, Orimer E. Bugbee, Lillian J. Henault, Louise E. Kelley, and Guy F. Burrill.

At the High School we are this year giving a course in Aeronautics to about a score of boys and girls. We are also giving the Pre-induction Course in Machines in connection with the regular course in Physics. We are not equipped to give pre-induction courses in shop subjects.

I sincerely appreciate the wholehearted cooperation of all who have worked so hard in maintaining the schools in these difficult times.

Respectfully submitted,

ALFRED W. SMITH,
Superintendent of Schools.

REPORT OF THE HEADMASTER OF TOWLE HIGH SCHOOL

January 1, 1944

Superintendent A. W. Smith
Newport, New Hampshire
Dear Mr. Smith:

I am submitting herewith the Annual Report for Towle High School, together with a supplement of statistical table as follows:

Table I	Enrollment by Grades
Table II	Tuition Pupils
Table III	Attendance Record
Table IV	Honor List—Class of 1943
Table V	Perfect Attendance 1942-43
Table VI	Post-Secondary Statistics
Table VII	Financial Report
Table VIII	Prize Speaking Contest
Table IX	What the Faculty is Doing in Connection with Various War Work
Table X	Report of Sale of Defense Stamps and Bonds

Some changes have been made in our scholastic offering which are specifically training boys and girls for their work both in and out of service. Remedial study is being given in all subjects where it is necessary. In September, a new course in aeronautics was put in our course of study. About thirty boys and girls in the two upper classes enrolled in this course. We were fortunate in securing the services of Francis P. Murphy, Jr., as the instructor. Mr. Murphy has had excellent training and preparation in aviation; consequently he was very well qualified to teach this important additional course. Mr. Murphy took the position with the understanding that he might be called into service before the year was up. The first of December he notified me that he would leave for duty on January 3, 1944. Mr. Herlihy is keeping up his classes.

In February, 1943, Miss Eleanor Gould and I started classes in physical education. We carried on this program under unsatisfactory conditions during the winter months, due to lack of

space in Room 2. Calisthenics and marching were stressed until spring, when the classes were taken outside. Calisthenics were continued, and various body building games were played. It is unfortunate that under the present conditions it seems unwise to continue this course.

The social program has been broadened in an effort to provide healthy recreation for pupils of high school age. During the first part of the school year of 1943, we have had six social affairs in our school auditorium. The classes or clubs responsible for the affairs were organized under various committees and the advisers were present during the decorating, the affair, and the cleaning and arranging of the auditorium after the social event. Chaperons included both teachers and parents. Since there isn't a place available in Newport for the boys and girls in high school, and the youth must have some means of recreation, I have used the school for this purpose. The students have had a fine time and have conducted themselves commendably at all times. On the night of November 6, after the Stevens game, the auditorium was crowded with more than three hundred Towle students, Alumni, and Stevens students. The feeling of good sportmanship and enthusiasm so evident during the game, was continued at the dance. Many of our students attended the football-hockey reception at Stevens November 19. The spirit of good friendship between the two schools merits recognition.

I wish to express my deep appreciation to the teachers of Towle High School, for doing such an excellent job in extra-curricular activities. The teachers in charge of dramatics, journalism, athletics, music and various clubs spend many hours outside of school time with no thought of extra compensation. They have carried out these duties with enthusiasm, interest, and complete cooperation from those under their direction. School hours for them do not end at the close of the school day, and I feel their untiring efforts merit public recognition.

On June 23 the Class of 1943, consisting of fifty-four members, graduated. Five of this number received War Emergency Certificates as they are serving with the armed forces. The class as a whole was very good scholastically; some were outstanding which is evident when they received a college scholarship. Because of the war only six of this group are now in college, five girls are in hospitals intraining, and eighteen boys are in the service.

The service has taken seven boys from the Class of 1944 and one from the Class of 1945.

May I take this opportunity to express my appreciation for the fine cooperation given me by you, the Superintendent, faculty, the students, the board members, parents, community, and Miss Joan Catsam, your secretary. I can assure you that it is a pleasure to be a part of the Newport School System and a resident of Newport.

Respectfully submitted,

FORREST E. RICHARDS, Headmaster.

SCHOOL CALENDAR

1944-1945

Term Dates	Days School Closed
1. Sept. 6, (Wed.)—Dec. 20, (Wed.)	(State Teachers' Convention) (Thanksgiving Recess: Nov. 22, afternoon, Nov. 23, 24.)
2. Jan. 2, (Tues.)—Feb. 16.	
3. Feb. 26—April 20.	
4. April 30—June 15.	(Memorial Day, May 30.)

NO-SCHOOL SIGNAL

When the weather is so bad that it is inadvisable for children to attend school, the no-school signal will be sounded by the fire whistle at 7:30 in the morning. The signal is 2-2-2. When it is necessary to close school in the morning it will mean that school sessions will be omitted all day. It would be practically impossible to get bus and tuition pupils to attend an afternoon session only.

On no-school days a pre-arranged system of telephoning gives notice to those who transport school children, to teachers, and as far as possible, to out-of-town tuition pupils. Persons who are doubtful about the no-school signal should call the Superintendent or some other member of the school department rather than the fire station. Unnecessary calling of the fire station might interfere with emergency calls which should reach the fire department quickly.

TOWLE HIGH SCHOOL GRADUATES. CLASS OF 1943

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

NEWPORT SCHOOL DISTRICT

To the Inhabitants of the School District in the Town of Newport, in the county of Sullivan, in the State of New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said District on the eleventh day of March, 1944, at two o'clock in the afternoon, to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

Article 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

Article 8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

Article 9. To see if the district will vote to authorize the school board to appoint four citizens to serve with the school board as a Building Committee to make plans for carrying out the provisions of the bequest of the late George B. Wheeler with authority to spend such funds from the estate as may be required to pay architect's fees, legal fees, travel expenses, or other incidental expenses necessary to carry out the terms of the above mentioned bequest.

Article 10. To see if the district will vote to authorize the School Board to borrow money on the credit of the district and issue serial notes or bonds in an amount not to exceed \$9,500.00 for the purpose of purchasing school buses if it should become necessary.

Article 11. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 10th day of February, 1944.

ALEXANDER M. BLACKBURN,
JOHN J. CONDON,
HOWARD C. BENNETT,

School Board.

REPORT OF THE NEWPORT SCHOOL BOARD on the GEORGE B. WHEELER SCHOOL FUND

Received from John W. McCrillis, Executor	\$ 157,287.20
Interest and Dividends collected	3,402.76
One-half interest appraised value of real estate	9,000.00
<hr/>	
Total received by the School Board in accordance with the vote of the School District March 7, 1942.	\$ 169,689.96
In accordance with the vote of the Newport School District dated September 25, 1943, and the vote of the Newport School Board dated October 21, 1943, the School Board has sold and reinvested this fund and now holds the following: as of February 10, 1944:	
U. S. Treasury 7/8 of 1% ctfs. of Indebtedness due February 1, 1945	\$ 160,000.00
On deposit at Newport Savings Bank	5,020.83
On deposit at Sugar River Savings Bank	5,037.50
On deposit Citizens National Bank	3,896.46
One-half interest in furniture in Wheeler Block	25.00

<hr/>	
Total Value of George B. Wheeler Fund on hand as of February 10, 1944	\$ 179,679.79
Less value received as above	169,689.96
<hr/>	
Showing a net appreciation in value of	\$ 9,989.83

ESTATE OF GEORGE B. WHEELER

NEWPORT, NEW HAMPSHIRE

February 2, 1944

School Board
Newport, N. H.
Gentlemen:

In accordance with your suggestion I give you the following facts relative to the Estate of George B. Wheeler.

Mr. Wheeler, who died March 1, 1942, willed half the residuum of his estate to the School District under the following clauses: "The other half of said residuum I give, bequeath, and devise to the School District of Newport, N. H., for the purpose of furthering the educational advantages therein; with this limitation that it shall not be used to pay off indebtedness existing at the time of my decease nor for current expenses. My preference in its use is that it shall be used to provide a building or buildings for school purposes."

Mr. Wheeler's personal property was appraised for:	\$ 321,353.57
From this there were specific bequests to various parties totaling	18,988.91
	<hr/>
Personal property less specific legacies	\$ 302,364.66
One-half the above amount is	\$ 151,182.33

During administration of the estate the appreciation in the value of the securities plus income received was greater than expenditures so that the legacy paid to date to the School District and receipted for by the School Board in accordance with the vote of the School District of March 7, 1942, has exceeded the above figure of \$151,182.33 by \$6,104.87.

At the time of the filing of the executor's third account on December 1, 1943 the School District has received the following:

Cash (which included \$1,771.33 as School District's half of net income from real estate on which the executor collected the rent)	\$ 52,910.84
Securities	104,351.36

One-half furniture in Wheeler Block	25.00
Total	\$ 157,287.20
Mr. Wheeler's real estate was appraised as follows:	
Homestead	\$ 6,000.00
Wheeler Block	12,000.00
Total	\$ 18,000.00
Half of appraised value of real estate	\$ 9,000.00

The real estate passed direct to the legatees by will and the executor has nothing to do with the sale of it.

The executor's account filed December 1, 1943, and allowed December 29, 1943, showed a balance remaining in the executor's hands of \$215.64 cash. The executor has made a claim for refund of Federal Income Tax amounting to \$1,830.85 which claim is now pending. After the claim for tax refund has been determined I will file my final account as executor.

Yours truly,

JOHN W. McCRILLIS.

Executor w/w George B. Wheeler.

REPORT OF SCHOOL NURSE

Mr. Alfred W. Smith
Superintendent of Schools
Newport, N. H.

Dear Sir:

I herewith submit my annual report as school nurse. No unusual happenings have occurred since my last report. The usual routine of work has been observed. School and home visits have consumed a large part of my time. During the year, the audiometer from the State Department enabled us to again, thoroughly test the hearing of all the children with the exception of the children in the first two grades. Few cases were found needing attention and these were taken care of in as satisfactory manner as is possible in such cases. Suggestions were made to teachers regarding seating arrangements for the particular child.

Eyes were tested in the fall as usual and reports sent home where it was necessary. Follow up work has been done.

While we have had no serious or wide spread epidemic, last spring we had two cases of meningitis and one of poliomyelitis and this fall several cases of scarlet fever, all of which were in a mild form. We have been on the whole fortunate in respect to epidemics of diseases, other than common colds. Diphtheria, small pox and the like rarely, if ever occur, thanks to the immunizing programs carried on throughout the state. The tuberculosis clinics show very few positive cases among our children. The few cases we do have, bring to mind the need, in the schools as well as in the homes, of stressing plenty of fresh air, proper diet, to say nothing of good posture. In this connection, may I say that much more attention could be placed on posture every day in every room throughout our schools. Last spring, in the Annex of the Richards School some work was done in this line. I feel it is impossible for one person serving as Public Health Nurse as well as School Nurse to follow up these things as closely as needed for the best results. The result of our army physical examinations shows very plainly, that too little time or attention to health and physical fitness, has been given. Many, many cases of poor scholastic work can be traced directly to health conditions.

Our dental clinic, maintained by the Red Cross for the school children, has saved many hours of school, for many children throughout the years that it has been maintained. This year we have completed the following work:

No. Children treated	50
No. nitrate treatments	122
No. silver fillings	44
No. porcelein fillings	4
No. cleanings	34
No. extractions	21

Newport teachers through the year have accorded to me generous support and earnest cooperation, and may I express to you and to them my sincere appreciation for this.

Respectfully yours,

ANNA DONOVAN, R. N.
